**PILGRIM 1:** He was pretty scrimmaged in the accident.

**ERUCH:** Well the bridge of the nose was damaged. That you see in later years. See how it is. This was damaged. Then the tongue was split little. The front of the tongue. And the jaw, means the gums were hurt and bruised. There's another story about that. And just on the forehead, here there were some scars and all that. Little bruise. That's all as far as I remember.

**PILGRIM 1:** And which accident was this?

**ERUCH:** 2nd accident. Ah yeah.

**PILGRIM 1:** And the first accident was the hip?

**ERUCH:** No. 2nd accident was the hip. 1st accident was the legs, arm. Here fractured leg.
